Subject: RE: Free product program (COPAXONE)

Good Afternoon Mike,

See below for our business rules on free product for Copaxone patients.

For internal knowledge only

Business Rules for COPAXONE 40 mg Free Product Program:

- o As of January 1, 2015 Copaxone 20mg was removed from program
- o Patients without insurance coverage are eligible for referral
- o Patients considered under-insured (per criteria) are eligible for a referral
- o Patients with access to Glatopa are not eligible for a referral
- o Patients with government funded plans are not eligible to apply. More specifically, Patients enrolled in any state or federally funded healthcare program, including but not limited to, Medicare, Medicare Advantage Plans, Medicare Part D, Medicaid, Medigap, VA, DoD, TRICARE, and the Puerto Rico Government Health Insurance Plan are not eligible.
- o Patients with commercial insurance coverage that have been denied coverage after 2 appeals are eligible to apply.
 - o The denial reason must be related to exclusion from the medical policy/formulary coverage (exception-access to Glatopa are not eligible for referral)
 - o The denial cannot relate to medical reasons, such as patient age, diagnosis, etc. to be eligible
- o Patients do not have to be a United States citizen, but they do need to have at least one of the following:
 - o Green Card
 - o Visa
 - o Social Security Number

Assist RX then sends an application to the patient and reviews for approval. Assist RX is aware of the current FPL guidelines, let me know if you need that information.

Hi Kari,

Please see Mike's email below. Do we have a summary document on the free program that we can share?

Best regards,

Subject: Free product program (COPAXONE)

Dustin:

I am hoping this is an easy request – I am looking for the policy or process around the COPAXONE free product program. What are the steps and qualifications required in order to receive free product?

Thanks,

CNS
